About Louise

Louise began working with textiles as a child and made her first hexagon coverlet between the age of 8 and 11. She discovered quilting during her 2nd year at art college. Since then she has been absorbed by quiltmaking.

She took a C&G Embroidery course part 1 & 2 & in 2005 wrote The Quilter's Guide to Twists & Tucks, with Wendy Lowes.

Louise has taught extensively across the UK & abroad. One of her greatest joys is to get people hooked on sewing.
